

Bottles & oil spouts

If anyone CAN - we CAN!

Bottles & oil spouts

Edible-oil bottles are designed specifically for edible oils and are varnished inside and outside as standard. Our in-house-developed pourer enables clean, easy and drip-free dosing.

The product features of bottles and oil spouts „made by Pirlo“ at a glance:

- Lightproof, break-proof
- Compatible with automated sealing machines
- Spouts in various colours available
- Customised printing possible

Spout version 2.0-V (keyhole)

- Especially suitable for filling volumes up to 500 ml

Spout version 2.0 (clover shaped)

- Especially suitable for filling volumes over 500 ml

Spout non refillable

- Refilling through the spout is not possible

Pre-threaded Pilferproof (PTP)

- Preformed closure cap
- Sealing using sealing pliers

Roll on Pilferproof (ROPP)

- Closure cap without thread
- Sealing using closure/roll head

If you have any questions about bottles and oil spouts our experts will be happy to help. Special can sizes are possible on request.

Legend

- = Standard (samples available)
- ¹ = Also with BPA-NI varnish inside available, samples and minimum amounts on request
- o = Special sizes, samples and minimum quantities on request
- = Stock items (grey) also in smaller quantities available
